

On Wednesday, November 9th, **Kim Sisney** was appointed President of IREM Chicago Chapter No. 23, a 5 Star Chapter with nearly 700 members.

Serving real estate professionals who manage all property types, IREM Chicago has been an integral force in the greater Chicagoland area since 1953. IREM's leaders strive to keep members informed on the current industry trends, safety standards, the latest legislative activities, as well as providing education seminars, community service opportunities, a job referral service and candidate assistance services.

IREM Chicago's mission is to promote professionalism within the real estate industry through education and by adherence to the highest ethical standards through accountability.
